Greetings Brethren!

Happy new year! I appreciate your confidence in electing me to serve as master of Friendship Masonic Lodge for 2022. It's quite an honor. I feel humbled, and at a loss for words. What a feeling it was having been installed. Thank you, my brothers!

I'm going to keep this one short and remind the membership of the upcoming stated meeting to take place at the Kenton Temple on Wednesday, January 5th. Dinner will be catered and start promptly at 6:30 pm. Our business meeting will begin with the gavel falling at 7:30 pm.

I look forward to seeing you all there. Please reach out to myself or any one of the officer about topics if business, accommodations, or for assistance with transportation to the lodge.

By the square!  
Jimmie Jaimes, WM

Fraternal Greetings from the West,

I hope that everyone has had some great holidays. The Feast of St John the Evangelist has come and passed, and we are on to a new year. Hopefully 2022 will be an easier, and better year than the one that we have left.

This will be an interesting year for our lodge. The farther we get into this pandemic, the longer it seems it will last. As a lodge we have been weathering this storm, and I would dare say we have weathered it well so far.

Despite being away from my Brothers and the challenges that entails, I find myself filled with hope for the new year. While we still have this shadow hanging over us, I think that we must not lose our faith in the future. "But in the end it's only a passing thing, this shadow; even darkness must pass."

As I was last year, I am honored and privileged that you all have chosen me to serve you as Senior Warden this year. Thank you Brothers.

Stay safe, and on the level Brethren,

Brother Kevin Miller-Conley, Senior Warden

## from the South

Fraternal Greetings from the South,

I will need to give some thought as to how to fill this space in future months, but in my inaugural article from the South I will stick to the key themes maintained by Brother Miller-Conley: food and illness.

We're hoping to serve heaps of Indian food at January's stated meeting, as Brother Pease will be busy recovering from hip surgery - please keep him in your thoughts, and please join us for a meal!

There have been no new updates to state COVID recommendations regarding masks and distancing, so these restrictions will remain in place in lodge. Cases [appear to be rising](#) in Oregon again, so restrictions will likely stay in place for a bit longer.

Wishing you all health and strength as we exit the darkest part of winter and begin what always feels like the longest part.

- Brother Patrick Reilly, Junior Warden
