Greetings Brethren!

September is here, which means that Friendship will be coming out of darkness and into the light to continue work in the craft for the remainder of the year. As such, there is not much to report as there were no official events in July and August. However, this did not prevent the brethren from gathering for various activities of fellowship, from poker to Dungeon And Dragons nights at the clubhouse. Many of your officers also spent time getting to know prospective members and we look forward to growing our membership soon.

For the upcoming month, of course we have a dinner and Stated Meeting scheduled for Wednesday, September 7th. Dinner is at 6:30 pm with the meeting to follow at 7:30 pm at the Kenton Masonic Center. We will have a couple of petitions to read and some other business items to consider. On Wednesday, September 14th, we will be holding an informal practice for the Master Mason degree. This will take place at the Clubhouse at 6 pm. It is strongly recommended that officers and cast members attend. On Monday September 19th, we will be holding a formal practice for our next Master Mason degree. This practice is mandatory for the officers and any of the brethren that will be taking part in it. Please plan on being at the Friendship Clubhouse by 6 pm. The following Wednesday, September 21st, we will be conferring the Master Mason degree on one of our brothers who has worked hard on his masonic journey and has shown diligence with his patience through the pandemic and other occurrences! This should be a wonderful

evening for all Master Masons to attend. This will be held at the Kenton Masonic Temple at 7:30 pm with fellowship and a light meal to follow. Finally, we will be having our Officers Meeting on Wednesday, September 28th at 6 pm. We will meet at the Friendship Clubhouse for this gathering. This is, of course, open to the membership. So, if you have any issues, concerns, or any matters of business to bring up, please join us and make your voice heard! As always, for any of the events, please reach out to any one of your officers for assistance with transportation, to take part in the degrees, or for any related questions.

I would also like to make the membership aware of the planned activities that we have on Wednesdays and Sundays at the Friendship Clubhouse on nights where there are no official or special meetings. Every Wednesday, one of the officers or myself will try to make it a point to get to the clubhouse and spend time there for matters of fellowship or to open our space and answer questions should any person in the Kenton community have inquiries. We have noticed that many people peruse our space and frequently look in. We should be prepared to share some information about our great institution and make it known that we are still a thriving and existing organization through education and intelligent conversations. We may stir some curiosity about membership! For the Sunday fellowship nights, we have established cleanup and property consolidation for the first Sundays, board game night for the second Sunday, lodge Dungeons And Dragons night for the third Sunday, and poker night with a \$20 buy in for the last Sunday. For months where there are five Sundays, some kind of fellowship activity will still take place. Gatherings start at about 6 to 6:30 pm. Again,

reach out to an officer for question about participation.

Finally, my brothers, I want to express my gratitude again, as always, and I truly value the experience that I am having as Master for 2022. It will surely live on in my memory. And on that note, I hope to share with you all next month some of my thoughts and meditations on memory that I last shared at our St Johns Table Lodge last June. I began writing a piece on this phenomenon, and I hope that this will kick off a tradition of philosophical talks that we can share with each other through our trestle boards, on our Friendship 160 web page, and in our gatherings. It would be nice to bring back that important tradition of correspondence and discourse that has been so important in the history of Freemasonry.

Until next month!
By the square!
Jimmie Jaimes, Master

September Masonic Birthdays

Raised to the Sublime Degree of Master Mason

- 01 James Peyer-Nelson (21)
- 08 Douglas Parrott (66)
